

# HELP FIND THE HOMERUN CURE FOR ALL CANCER.

The Meinhardt Family originally started the event in 2007 after losing their daughter Sophie to a rare and aggressive brain tumor. The community rallied behind them in order to honor Sophie and raise money for medical research and educational scholarships. In 2021 the campaign was able to raise over \$85,000 which benefitted Cincinnati Children's Hospital and \$5,000 in scholarships to students of several local catholic schools.

In 2022 the event has been renamed "The Angel Run" and event coordination turned over to the families of The Cure Starts Now. The Meinhardt family is still be involved and want to ensure the event can continue for years to come as it provides so much value to the community and the beneficiaries.
